Dear Joyce and Enock,

Thank you so much for the previous discussion held at the DPG-E meeting during presentation of the E-Mazingira platform. It was great to hear from your team on good progress made to this initiative. Hongereni sana! Following the discussion, I would like to introduce to you my colleague Mariestella Kago (in copy) also working at UNDP. She showed keen interest to explore more about the E-Mazingira (and carbon registry) initiative so that she can identify possible areas for collaboration, engagement and further strengthening. She will explain more about this.

Dear [REDACTED]  
Please meet colleagues at VPO responsible for spearheading development of the E-Mazingira platform - Joyce (head of ICT) and Enock ([REDACTED]).  
Kindly proceed from here.

Regards,  
Faustine.
