- Force Majeure, meaning any act of nature, war (whether declared or not), invasion, revolution, insurrection, or other acts of a similar nature of force which could cause PUI to cease/suspend its operation in the concerned country of operation.

Article 13 Non recruitment of the Service Provider's employees and consultants

PUI will not seek to recruit the Service Provider's employees or consultants within the time of the agreement.

Article 14 Confidentiality

After signing the contract, the Service Provider may have access to various internal documents related to security and crisis management. The Service Provider commits to keep confidential any information that will be shared during the time of the service provision. Additionally, all documentation shared by PUI will be protected by the same confidentiality duty.

Article 15 Jurisdiction

The law and regulations of France govern this agreement. In the event of any dispute arising from this agreement, the Parties shall first try to solve said dispute in an amicable manner. If the parties cannot resolve the dispute, said dispute shall be submitted to arbitration in keeping with French law. Arbitration shall be the sole method of resolving any dispute arising from this agreement.
