Thanks Milica - we'll need to conduct due diligence before we can make a grant, but this is quite straightforward.

In the first instance please can you advise who's the lead (i.e. who best to deal with) and what you're registered as?

Many thanks

James

Dear Anas and Genius Tags team,

Congratulations once again on winning the GSR Foundation award at the SDG Blockchain Accelerator Showcase.

Award: USD 10,000

I'm pleased to introduce James (cc'd), who will guide you through the award claiming procedure and next steps.

Dear James, thank you once again for all your kind support.

Wishing you both a great weekend ahead.

Warm regards,
Milica
