Hey there,

Super happy to hear from you all. Been a very busy week, so my response is a little bit slower than usual.

My offer stands but the best way to contact me would be through telegram and the user tag [REDACTED]

I'm bombarded with LinkedIn requests and usually drown in emails. So telegram would work better to get my attention.

Looking forward and have a great day everyone,

Paul Kruegel

Dear Teams,

Thank you once again for joining us in Copenhagen last week for the SDG Blockchain Accelerator Showcase. It was a pleasure to have you with us and to see your progress, energy, and dedication to your projects.

We are pleased to inform you that Paul Kruegel, Business Director and Head of Program at Cointelegraph Accelerator, has kindly offered 1:1 mentoring calls with each of the teams. Please feel free to reach out to Paul by replying to this email or via LinkedIn : [REDACTED]

We are incredibly proud of everything you continue to advance, and we look forward to supporting your ongoing journey from pilot to scale.

Thank you once again Paul for your generous contributions.

Warm regards,
Milica
