1. Purpose

This Memorandum of Understanding (MoU) establishes the framework for cooperation between Creative Operations Services (hereinafter "COS") and Syncflare Labs D.O.O (hereinafter "Syncflare"). The purpose of this MoU is to define the areas of collaboration, responsibilities, and mutual commitments of both parties.

2. Scope of Collaboration

Both parties agree to collaborate on the expansion of a **technology-enabled e-waste collection system** across Serbia and the wider Balkan region. The scope includes:

2.1 Deployment of Smart Collection Infrastructure

Joint exploration, installation, and operation of IoT-enabled e-waste collection bins and related monitoring systems.

2.2 Operational Integration

Alignment of logistics, collection workflows, and data exchange between both parties to support efficient and compliant e-waste management.

2.3 Regional Expansion

Cooperative planning and phased rollout of the e-waste collection system across Serbia and, where applicable, into neighboring Balkan countries.

2.4 Awareness & Engagement

Basic coordination on community outreach, education, and institutional engagement to encourage proper e-waste disposal.

3. Responsibilities of the Parties

3.1 Creative Operations Services (COS)

COS agrees to:

- Provide local market insights, operational support, and networks within Kenya and the East African region.
- Participate in joint planning, design, and implementation of initiatives.
- Contribute resources, personnel, or facilities where relevant.

3.2 Syncflare Labs D.O.O

Syncflare agrees to:

- Provide technical expertise, development resources, and innovation advisory support.
- Lead the creation and implementation of technical solutions where applicable.
- Offer support to the expansion of e-waste management system to Serbia and wider Balkan region.

4. Governance & Communication

- Each party will designate a primary point of contact for effective communication.
- Meetings will be organized as needed to review progress, discuss opportunities, and coordinate activities.
- Decisions regarding joint activities will be made through mutual written agreement.

5. Confidentiality

Both parties agree to maintain confidentiality of shared information, documents, and data, unless otherwise mutually agreed in writing. This clause remains valid beyond the duration of the MoU.

6. Financial Considerations

This MoU does not constitute a financial commitment by either party. Any financial obligations, cost-sharing arrangements, or project-specific budgets shall be defined in separate agreements.

7. Intellectual Property (IP)

- IP generated independently remains the property of the originating party.
- Jointly developed IP will be co-owned unless otherwise agreed in writing.
- Usage rights for any IP will be outlined in relevant project-specific agreements.

8. Duration and Termination

- This MoU enters into force on the date of the last signature and remains valid for **one (1) year**, unless extended by mutual agreement.
- Either party may terminate the MoU by providing a **30-day written notice**.
- Ongoing obligations related to confidentiality and IP survive termination.

9. Legal Status

This MoU is **not legally binding** and does not constitute a contract. It serves as an expression of mutual intent to collaborate. Any legally binding commitments will be established through separate agreements.

10. Signatures

By signing this MoU, both parties acknowledge their understanding and acceptance of the terms outlined above.
