

Carbon Credits Purchase Agreement

Effective Date: 15 September 2025

Thallo Ltd, a company incorporated in England and Wales registered in [REDACTED]
with company number [REDACTED]
[REDACTED]

henceforth called “the Seller”

and

zeroCO2 srl sb incorporated and registered in [REDACTED]
[REDACTED] whose registered office is at [REDACTED]
[REDACTED]

henceforth called “Purchaser”

Purchaser and Seller, hereafter collectively referred to as the “Parties”, have agreed to engage in a sale of Credits, involving the Delivery of Contracted Credits from Seller to Purchaser and the subsequent payment by Purchaser to Seller in consideration for such Contracted Credits (the “Transaction”). This CER Purchase Agreement evidences the terms of the Transaction between the Purchaser and the Seller.

Carbon Credit Purchase Agreement

2 Further Specifications

2.1 Delivery	Save for Clause 2.2 Delivery is deemed to have taken place upon the transfer of the Contracted Credits into the Purchaser's Registry Account as indicated in clause 1.8 of this Agreement or upon the permanent retirement of Contracted Credits on behalf of Purchaser, as applicable.
2.2 Delivery Acceptance Failure	In case Purchaser has failed to nominate Purchaser's Registry Account at the Delivery Date, or Purchaser's Registry Account is incapable of receiving Contracted Credits, or Purchaser fails to confirm the transaction, or if Seller has used all its reasonable efforts to transact the Contracted Credits to Purchaser, but this transaction could not be completed for whatever reasons, then a Delivery Acceptance Failure has happened. Parties agree that Delivery is deemed to have occurred in case of a Delivery Acceptance Failure, whereupon the payment obligation of Purchaser applies immediately. Seller and Purchaser shall cooperate to complete the transaction of Contracted Credits as soon as possible.
2.3 Delivery Failure	In case at the Delivery Date the number of Delivered Credits is less than the amount of Contracted Credits, then a Delivery Failure has occurred. In case of a Delivery Failure, Seller shall have the right to deliver to Purchaser Alternative Credits within 2 months from the Delivery Date.
2.4 Payment Failure	If Purchaser is overdue with any payment due under this Agreement, then without prejudice to Seller's other rights or remedies, Purchaser shall be liable to pay interest on the overdue amount at an annual rate equal to EURIBOR applicable from time to time plus 3% compounded monthly from and including the Payment Due Date.
2.5 Costs	Parties shall bear their own costs related to the establishment of this Agreement. Purchaser shall bear the costs related to opening a Registry Account. Buyer shall bear the costs related to the transfer or retirement of Contracted Credits into Purchaser's Registry Account.
2.6 Entire Agreement	This Agreement embodies the whole and only agreement of the parties related to the Transaction, and no prior or contemporaneous oral or written agreement or understanding shall be deemed to constitute a part of this Agreement, unless expressly referred to herein, or attached hereto, or specifically incorporated by reference herein. The Annexes to this Agreement constitute integral parts of this Agreement and shall therefore be deemed part of this Agreement.

Carbon Credit Purchase Agreement

2.7 Governing law and disputes	This Agreement shall be governed and construed in accordance with the laws of England and Wales. All disputes arising out of or in connection with this Agreement shall to the extent possible be settled amicably by negotiation between the Parties within sixty (60) Business Days from the date of written notice by either the Seller or the Purchaser of the existence of such dispute. If the Parties do not resolve their dispute within sixty (60) Business Days, then the dispute shall be settled by final and binding arbitration in accordance with the Permanent Court of Arbitration in accordance with the 'Permanent Court of Arbitration Procedures for Cases under the UNCITRAL Arbitration rules.' The number of Arbitrators shall be one. The place of arbitration shall be London and the language to be used in the proceedings is English, and the governing law for the arbitration shall be the law of either England and Wales, as per the place of arbitration.
2.8 Amendments	This Agreement may only be amended with the written consent of the parties hereto.
2.9 Cost and expenses	Each party shall bear its own costs and expenses in relation to the negotiation, preparation, execution and carrying into effect of this Agreement.
2.10 Confidentiality	The Parties shall keep the terms of this Agreement and any Confidential Information confidential and not disclose such terms to anyone, except for disclosures specifically permitted hereunder, and ensure that the Confidential Information is protected with security measures and a reasonable degree of care. Each Party may disclose Confidential Information to its Affiliates and their officers, directors, employees and professional advisers to the extent necessary for purposes connected with the Agreement and to the auditors of any Affiliate, or where disclosure is: (a) Requested or required by any court of competent jurisdiction or any competent judicial, governmental, supervisory or regulatory body; or (b) Required by the rules of any stock exchange on which the shares or other securities of any Affiliate are listed; or (c) Required by the laws or regulations of any country with jurisdiction over the affairs of Affiliate; or (d) with consent of the other Party

Carbon Credit Purchase Agreement

2.11 Marketing	Purchaser shall have the right to make public basic information about the project for marketing purposes. Seller shall have the right to refer to Purchaser and to use Purchaser's logo for marketing Purposes.
2.12 Non-Investment	With respect to the Contracted Credits delivered to the Purchaser pursuant to this Agreement, The Purchaser expressly agrees and acknowledges that it will not sell or transfer the relevant Credits to any person or entity for the purposes of investment where the end buyer is unsophisticated, without experience or skill in carbon trading.
2.13 Assignment	Seller may at any time, on written notice to the Purchaser, assign this Agreement and all of its rights and obligations under this Agreement to any Affiliate.
2.14 Representations and Warranties	Each Party represents and warrants to the other Party that: (a) it has the power and authority to enter into and perform its obligations under this Agreement; (b) by entering into this Agreement, it will not breach the terms of any contract with any third party; (c) it is not relying upon any representations of the other Party other than those expressly set out in this Agreement; (d) it has entered into this Agreement after a full opportunity to review its terms and conditions, has a full understanding of those terms and conditions and of their risks, and is capable of assuming those risks; (e) the other Party is not acting as a fiduciary or an advisor for it, nor has the other Party given to it any advice, representation, assurance or guarantee as to the expected performance, benefit or result of this Agreement; (f) it shall, if Seller, deliver to Purchaser the Credits free and clear of all liens, security interests, claims and encumbrances or any interest in or to them by any person; (g) it has at all times fully complied with the relevant Carbon Credit Rules to the extent necessary to permit the Delivery contemplated by this Agreement; (h) it has negotiated, entered into and executed this Agreement as principal (and not as agent or in any other capacity, fiduciary or otherwise); and (i) it is entering into this Agreement in a commercial capacity and that, with respect to the Agreement, it is in all respects subject to civil and commercial law.
2.15 Default and Consequences	Either Party shall be deemed in default if it: (a) fails to comply with any of its obligations under this Agreement (b) breaches any of the warranties set out in clause 2.14

Carbon Credit Purchase Agreement

	(c) has been declared bankrupt, is involved as debtor in a debt restructuring procedure, has applied for suspension of payment or liquidates its business or transfers it to third parties In the event of a default the non-defaulting Party may terminate this Agreement immediately upon written notice to the other Party and shall reasonably determine the termination amount as its total losses and costs in connection with the termination of the Agreement. The non-defaulting Party shall notify the other Party of the termination amount, including detailed support for its calculation.
